PROFILE INFO

Results-driven **Frontend Developer** with 2.4 years of hands-on experience in designing, developing, and deploying responsive websites and scalable React applications. Proficient in **React**, **Redux**, **JavaScript**, **Html**, **CSS**, **Tailwind**, **Bootstrap**, and responsive UI design. Developed 40+ websites for various industries, delivering high-performance and user-friendly solutions. Passionate about clean code and seamless UX.

EXPERIENCE

HTML Developer

Klizo Solutions Pvt Ltd │ Oct 2024 - Present

- Build and maintain dynamic frontend components using React.js.
- Convert UI/UX designs into clean, responsive interfaces.
- Collaborate with designers and backend teams for pixel-perfect, cross-browser compatible builds.

Web & Graphic Designer

Desun Technology Pvt. Ltd. │ March 2023 - Sept 2024

- Developed responsive websites using HTML, CSS, JavaScript, and Bootstrap.
- Worked directly with clients to understand and implement custom design needs.

Freelance Web Designer

Self-employed │ October 2022 - March 2023

- Delivered high-impact web design projects with cross-browser compatibility and clean UI.
- Designed graphics and web assets using Adobe Photoshop and Figma.

RECENT PROJECTS

1. GetIRNow Investor Platform — React, Redux, React-Bootstrap

- Developed a dual-role application for admin and investor users.
- Built responsive and reusable components, including InvestorPage.

2. Fallbrook Film Platform — React, Redux, React-Bootstrap

- Built a film-related web platform featuring chat, forums, and an admin dashboard.
- Designed a clean, interactive UI for better community engagement and film content discussions.

KEY ACHIEVEMENTS

Website Development Expertise

- Developed over 40+ websites for various industries, delivering high-performance, user-friendly website.
- Consistently delivered pixel-perfect UI with strong attention to responsiveness and performance.
